Peter,

I have spoken to Louise at SRV. If your sport is sure you can stay 1.5m apart. Then you would be deemed NON CONTACT and can resume when Non-contact adult sports resume in each area.

Thanks,

Lisa.

Hi Lisa,

Thank you for your time, our sport of carriage driving was defined as a contact sport like rowing or sailing. Now that rowing has been cleared to returned to competition, could you please look into if we can be treated the same.

Please refer to the photo below.
