CHPHC is a friendly and welcoming club based in central Victoria at the Huntly Equine Recreation Reserve, that has use of 11 acres of ground plus hundreds of acres of forestry tracks on drive on. We have a diverse range of members who drive VSE's up to big horses with a broad range of interests including pleasure driving, show driving, dressage, CDE's as well as Indoor-Outdoor competitions.

Competitors at our events weekends are well catered for with toilets and showers plus a cosy Club room with wood heater in the colder months. No powered sites. The Club also offers yarding for 20 horses including 4 VSE yards and 2 small paddocks.

Members, competing in their chosen discipline, whether local or interstate always represent CHPHC with success.

Monthly rallies are held, or more frequently for pleasure drives occasionally holding long reining, obstacle and MO training days. The club often hosts driving lesson days with Phil Marshall.
