For people who are interested in lessons and have not had a lesson with Boyd before, there is a special offer for you – you can have a free lesson with Bob Edwards or Elizabeth Lawrence or Owen Pilling.

There have also been some comments from people who are nervous or don't think they are up to having a lesson with Boyd – Boyd is happy to give lessons to anyone no matter what their ability is. Come and have a lesson and also take advantage of the free lesson with Bob Edwards or Elizabeth Lawrence or Owen Pilling.
